BY KRISTIN AYERSMAN
DEPUTY CLERK

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF VIRGINIA**
Abingdon Division

Kyle Beer, individually and on behalf of all
others similarly situated,

Plaintiff,

v.

Bluefield University,

Defendant.

Case No. 1:23-cv-00055-MFU-PMS

PRELIMINARY APPROVAL ORDER

This matter is before the Court for consideration of whether the Settlement reached by the Parties should be preliminarily approved, the proposed Settlement Class preliminarily certified, and the proposed plan for notifying the Settlement Class approved. Having reviewed the proposed Settlement, together with its exhibits, and based upon the relevant papers and all prior proceedings in this matter, the Court has determined the proposed Settlement satisfies the criteria for preliminary approval, the proposed Settlement Class should be preliminarily certified, and the proposed notice plan approved.¹ Accordingly, good cause appearing in the record, **IT IS HEREBY ORDERED THAT:**

Provisional Certification of The Settlement Class

(1) The Court provisionally certifies the following Settlement Class:

All natural persons residing in the United States who were sent a Notice Letter notifying them that their Private Information was compromised in the Incident, or for whom Bluefield has alternate contact information. The Settlement Class specifically excludes: (i) Defendant Bluefield University (“Defendant” or “Bluefield”) and its employees, officers, directors, affiliates, parents, subsidiaries,

¹ Unless otherwise indicated, capitalized terms used herein have the same meaning as in the Settlement Agreement.

and any entity in which Defendant has a whole or partial ownership of financial interest; (ii) all individuals who make a timely election to be excluded from this Settlement using the correct protocol for opting out; (iii) any counsel and their respective staff appearing in this matter; and (iv) all judges assigned to hear any aspect of this litigation, their immediate family members, and their respective court staff.

This Settlement Class is provisionally certified for purposes of settlement only.

(2) The Court determines that for settlement purposes the proposed Settlement Class meets all the requirements of Federal Rule of Civil Procedure 23(a) and (b)(3), namely that the class is so numerous that joinder of all members is impractical; that there are common issues of law and fact; that the claims of the class representatives are typical of absent class members; that the class representatives will fairly and adequately protect the interests of the class as they have no interests antagonistic to or in conflict with the class and have retained experienced and competent counsel to prosecute this matter; that common issues predominate over any individual issues; and that a class action is the superior means of adjudicating the controversy.

(3) Plaintiff Kyle Beer is designated and appointed as the Settlement Class Representative.

(4) William B. Federman of Federman & Sherwood is designated as Class Counsel pursuant to Fed. R. Civ. P. 23(g) for settlement purposes. The Court finds that Mr. Federman is experienced and will adequately protect the interests of the Settlement Class.

Preliminary Approval of the Proposed Settlement

(5) Upon preliminary review, the Court finds the proposed Settlement is fair, reasonable, and adequate, otherwise meets the criteria for approval, and warrants issuance of notice to the Settlement Class. In making this determination, the Court has considered the benefits to the Settlement Class, the specific risks faced by the Settlement Class in prevailing on Plaintiff's claims, the stage of the proceedings at which the settlement was reached, the effectiveness of the

proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, and all of the other factors required by Rule 23. Accordingly, the proposed Settlement is preliminarily approved.

Final Approval Hearing

(6) A Final Approval Hearing shall take place before the Court on April 15, 2025, at 10 a.m. at 180 W. Main Street, Abingdon, Virginia 24210 to determine, among other things, whether: (a) the proposed Settlement Class should be finally certified for settlement purposes pursuant to Federal Rule of Civil Procedure 23; (b) the Settlement should be finally approved as fair, reasonable and adequate and, in accordance with the Settlement's terms, all claims in the Class Action Complaint and Action should be dismissed with prejudice; (c) Settlement Class Members should be bound by the releases set forth in the Settlement; (d) the proposed Final Approval Order and Judgment should be entered; and (e) the application of Class Counsel for an award of attorneys' fees, costs, expenses, and service award should be approved. Any other matters the Court deems necessary and appropriate will also be addressed at the hearing.

(7) Class Counsel shall submit their application for Attorneys' Fees, Expenses, and Service Award no later than fourteen (14) days before the Objection Deadline.

(8) Any Settlement Class Member that has not timely and properly excluded itself from the Settlement in the manner described below, may appear at the Final Approval Hearing in person or by counsel and be heard, to the extent allowed by the Court, regarding the proposed Settlement; provided, however, that no Settlement Class Member that has elected to exclude themselves from the Settlement shall be entitled to object or otherwise appear, and, further provided, that no Settlement Class Member shall be heard in opposition to the Settlement unless the Settlement Class Member complies with the requirements of this Order pertaining to objections, which are described below.

Administration

(9) Atticus Administration, LLC is appointed as the Claims Administrator, with responsibility for reviewing, determining the validity of, and processing all claims submitted by Settlement Class Member, and all other obligations of the Claims Administrator as set forth in the Settlement Agreement. All Administration and Notice Costs incurred by the Claims Administrator will be paid by Bluefield, as provided in the Settlement Agreement.

Notice to the Class

(10) The Notice Plan, along with the Short Notice, Long Notice, and Claim Form attached to the Settlement Agreement as Exhibits A through C satisfy the requirements of Federal Rule of Civil Procedure 23 and due process and thus are approved. Non-material modifications to these exhibits may be made without further order of the Court. The Settlement Administrator is directed to carry out the Notice Plan and to perform all other tasks that the Settlement requires.

(11) The Court finds that the form, content, and method of giving notice to the Settlement Class as described in the Notice Plan, Short Notice, Long Notice, and Claim Form: (a) constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the action, the terms of the proposed Settlement, and their rights under the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to those persons entitled to receive notice; and (d) satisfy the requirements of Federal Rule of Civil Procedure 23, the constitutional requirement of due process, and any other legal requirements. The Court further finds that the notice is written in plain language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

Exclusions from the Class

(12) Each Person wishing to opt-out of the Settlement Class shall individually sign and timely submit written notice of such intent to the designated email address or Post Office box established by the Claims Administrator (or submit online via the settlement website), postmarked or submitted no later than 60 days after the Notice Date (the “Opt-Out Deadline”). Persons wishing to opt-out of the Settlement Class will only be able to submit an opt-out request on their own behalf; mass or class opt-outs will not be permitted. Any individual who does not submit a valid and timely request for exclusion in the manner described herein shall be bound by the Settlement, including all releases and covenants therein, as well as all subsequent proceedings, orders, and judgments applicable to the Settlement Class.

(13) All individuals who submit valid and timely requests for exclusion from the Settlement shall not: (i) be bound by any orders or judgments entered in connection with the Settlement; (ii) be entitled to any relief under, or be affected by, the Settlement; (iii) gain any rights by virtue of the Settlement; or (iv) be entitled to object to any aspect of the Settlement.

(14) The Claims Administrator shall provide the parties with copies of all requests for exclusion promptly upon receipt, a weekly report which includes a summary of the number of requests for exclusion, and, within seven (7) Business Days after the Opt-Out Deadline, a final list of all individuals that have timely and validly excluded themselves from the Settlement Class in accordance with the terms of the Settlement and herein. Prior to the Final Approval Hearing, the

Claims Administrator shall also prepare and execute a declaration identifying each individual who timely and validly requested exclusion from the Settlement.

Objections to the Settlement

(15) A Settlement Class Member that complies with the requirements of this Order may object to the Settlement.

(16) No Settlement Class Member shall be heard, and no papers, briefs, pleadings, or other documents submitted by any Settlement Class Member shall be received and considered by the Court, unless a written objection is submitted to the Court on or before the Objection Deadline, which shall be 60 days after the Notice Date. For the objection to be considered by the Court, the written objection must include:

- h. a list, by case name, court, and docket number, of all other cases in which the objector and/or the objector’s counsel has filed an objection to any proposed class action settlement within the last three (3) years.

(17) In addition to the foregoing requirements, if an objecting Settlement Class Member intends to speak at the Final Approval Hearing (whether pro se or through an attorney), the written objection must include a detailed description of any evidence the objecting Settlement Class Member may offer at the Final Approval Hearing, as well as copies of any exhibits the objecting Settlement Class Member may introduce at the Final Approval Hearing.
